NEW TEACHERS WELCOMED BY BROCKTON PTA

"Meet the Faculty" was the theme of the first meeting of the New Brockton PTA held Thurs. Sept. 17, Miss Linda Jones and Curtis Duke were welcomed as new faculty members during an informal reception which followed the business session.

Mrs. Grace Smith, Jr., president, presided over the business session and appointed the following committees to serve during the coming year: Project and Finance, Mr. Gibbs McCormick, Mr. Cecil Clark, Mr. Leon Bailey, Mr. Ray Snellgrove; Program, Mrs. Edd Harris, Mrs. Colley Pittman, Mrs. Raymond Parker, Mrs. Charles Gunter, Mrs. Johnnie H. Maddox; Refreshment, Mrs. Cecil Clark, Mrs. James L. Sawyer, Mrs. Ray Sawyer, Mrs. Ed Cordie; Membership, Mrs. Earl Sawyer, Mrs. Ray Snellgrove; Recreation, Mrs. Mary Young, Mrs. Jessie Windham, Coach French, German and Dutch firms to plan manufacture of Dorsey trailers in Europe and set up an overseas marketing organization.

Then he flew to Amsterdam, Holland, to meet with the head of one of Holland's largest industrial combines, followed by a plane trip over the city's harbor and intricate canal systems where he was left wondering what would happen if they had stop-and-go traffic signals.

Will Ship To Turkey
His next stop was Geneva, Switzerland, for a series of meetings including one with Lockwood and Briten, a firm with excellent connections in the Mideast, to plan shipment of Dorsey trailers to Turkey, and another meeting with the management of the Chrysler Export Division which recently relocated from Detroit to Geneva, and met with an East Indian industrialist.

The devotion was given by Rev. L. P. Headley, Pastor of the Methodist Church, New Brockton. Refreshments were served by the Refreshment committee.

COFFEE CROPS ABOUT 75 P. C. USUAL STATE

The condition of farm crops in Coffee County is considered by J. R. Speed, County Farm Agent, to be much better than was feared a week or two ago.

Cotton in the fields suffered most. Most peanuts went in good and the outlook for them is still good unless there is another period of prolonged rain. Here is Mr. Speed's size-up of the crop situation:

Cotton
Indications are that around 30 to 40 percent of cotton was still in the field when the recent rains started. However, the cotton crop is expected to be 75 per cent of normal. A week of sunshine has offset most of the harm resulting from the rain.

Peanuts
"Farmers planting the county allotment of peanuts with the expectation of harvesting entirely with machinery has resulted in a high percentage of farmers in Coffee County putting their peanuts in windrows. This is a very economical method, yet it's an extremely hazardous method of harvesting peanuts," Mr. Speed said. "The different stages of maturity has resulted in the peanuts being very spotted as to the quality throughout the county."

Stacking Is Safer
"Farmers who stack their peanuts are usually on the safer side, however, some farmers who are now picking stacked peanuts are reporting injury to opinion, high percentage of damage, at least higher than we like to have, while some of the windrow peanuts are showing a low damage and at the same time windrow peanuts in some areas are going off stock."

"The peanut crop is expected to be about 75% normal."

CROSSBOW ILLEGAL

The Alabama Department of Conservation today announced that the crossbow will be illegal for use on all wildlife management areas hunts in the state during the coming hunting seasons.

Fick Finds Dorsey Sales Outlook Abroad Dazzling

Lunch in Alabama, dinner in New York, and breakfast in Paris, sums up the beginning of the latest whirlwind business tour of Europe by Horton Fick, vice president in charge of sales Dorsey Trailers.

Mr. Fick presided at a distributor's sales training school in Troy Aug. 21 and immediately after lunch he took off for New York to board an Air France non-stop plane which landed him in Paris next day where he tried, all at one time, to switch from Deep South Rebel talk to French "parlez vous" shave and make phone calls in preparation for the sales meeting in Paris Aug. 24, three days after the sales meeting in Troy. He met with three leading French, German and Dutch firms to plan manufacture of Dorsey trailers in Europe and set up an overseas marketing organization.

Then he flew to Amsterdam, Holland, to meet with the head of one of Holland's largest industrial combines, followed by a plane trip over the city's harbor and intricate canal systems where he was left wondering what would happen if they had stop-and-go traffic signals.

Will Ship To Turkey
His next stop was Geneva, Switzerland, for a series of meetings including one with Lockwood and Briten, a firm with excellent connections in the Mideast, to plan shipment of Dorsey trailers to Turkey, and another meeting with the management of the Chrysler Export Division which recently relocated from Detroit to Geneva, and met with an East Indian industrialist.

Mr. Fick found the heat there equal to Elba's and said that Elbians go to Coffee County Lake but in Geneva, it's Lake Geneva. On a blistering Sunday he drove around the lake to Chamone in the French Alps and stood looking at snow-capped Mont Blanc, the highest mountain peak in Europe.

From Geneva he flew to Frankfurt, then Bonn, capital of Germany, to meet with German Army officers, where some one remarked that his fluent command of German languages caused him to be mistaken for an ex-German Luftwaffe (air force) flight leader and tried to persuade him to accept a colonel's rank in the reserves. The rest of the week was spent in Aachen in conferences with French and German manufacturing organizations, and where he had the opportunity to renew acquaintances with war-time friends and re-live some of the battles fought while stationed there with the U. S. Army during World War II.

Returns To Bonn
Then followed a stop at Düsseldorf to confer with representatives of the Dorsey sales organization in Europe, and back to Bonn where he met Dr. Franz Kirchfeld, prominent German steel broker, and his Spanish representative, and the Minister of the Interior from Spanish Morocco.

"For the next two days," said Horton, "I fought the battle of the airlines. It would be easier to escape from Alaska than to get an airplane reservation, unless you're a magician or a direct descendant of King Tut."

Through the influence of Dr. Kirchfeld, after a week of waiting and coaxing, he boarded a Spanish airliner Sept. 10 for Barcelona and Madrid, then to a Mexican airliner to Lisbon, Santa Maria in the Azores, and Bermuda where he changed to an Eastern Airline to New York and reached Atlanta midnight of Saturday, Sept. 12, with a two-day growth of beard which, someone said, caused him to be mistaken for Fidel Castro.

Bright To Dazzling
Asked what impressed him most on his second business trip to Europe, Mr. Fick said: "The tremendous potential for Dorsey products awaiting us, not only in Europe but throughout the world. We face competition, but our problem will not be so much one of getting orders for Dorsey trailers outside the United States, but how to meet the growing demand."

After his first trip Mr. Fick said the outlook for sales of Dorsey trailers in Europe is bright. After his second trip he called the outlook sparkling, and another meeting with the management of the Chrysler Export Division which recently relocated from Detroit to Geneva, and met with an East Indian industrialist.

Mr. Fick said that "Americans spread their vacations over a period of months but in Paris it seems that everyone leaves the city at the same time. I thought if any other nation takes its vacations as seriously as the French. On the day I left, newspaper headlines proclaimed that 800,000 Parisians will return from their vacations tomorrow."

Word from the Elba camp is that the Tigers are "up" for this game with several boys who were crimped by injuries in the Opp game back in full swing.

BEAUTY QUEEN TO BE NAMED HERE TONIGHT

Miss Elba of 1959 will be selected at the Beauty Pageant today at 7:30 p. m. at the Elba High school auditorium to represent this city at the National Peanut Festival in Dothan the week of Oct. 19.

The queen will receive a gold cup presented by the Elba Lions club and will vie for the title of Peanut Queen at a selection to be made Oct. 23 with the famous TV personality Jack Mahoney ("Yankee Derringer"), as emcee.

There will be two divisions to the Miss Elba contest this year, with the title of Little Miss Elba an added attraction. Contestants will not appear in bathing suits.

Contestants for Miss Elba will be Lynda Crook, Suzanne Hayes, Cathy Roberts, Rhett Ann Crook, Laveria Holloway, Mary Elizabeth Prescott, Helen Cowen, Linda Stewart, Frankie Lou Wake, Faye Gatlin, Brunie Morgan, Sue Miller, Mary Alice Kelley, Hazel Mae Marler, Shirley Barlow, Sandra Farris, Annette Smith, Helen McDaniell, Rebecca Willis and Mary Boswell.

Seeking the title of Little Miss Elba, from the Second Grade classrooms of Elba city school, will be: Kaye Mack, Charlotte Bullard, Debbie Lindsey, Judy Hudson, Jennifer Taylor, Norman Jean Mallory, Cathy Bowers and Janet Daniels. The winner will go to Dothan to compete for the title of Little Miss Peanut Festival with the winner to Mary Alice Lee and Mrs. Margie Beale.

Word from the Elba camp is that the Tigers are "up" for this game with several boys who were crimped by injuries in the Opp game back in full swing.

Opp took advantage of their tremendous running power and sharp blocking to run up a big victory over the Tigers last week in Opp. John Tyler Morgan, Opp quarterback, was the big gun in the Rebels' attack with three touchdowns.

The winners took a big 12-0 lead in the first quarter, but the Tiger defense tightened and held them to only seven points in the second frame. The last however, was broken wide open by the Rebels' devastating ground attack.

The Tigers, on the other hand, showed fair power on the ground at times, but could not put together enough to make a big drive. They threatened only two times, never getting past the Opp 30.

Gary Hudson, hard-charging fullback, was the big gun in the Elba attack with several nice gains. Mike Corbett was close behind.

Kinston To Hear Of Russian Visit

George Grimley of Dothan will present the P. O. program at Kinston School Thursday, Oct. 1, at 7:30 p. m.

Mr. Grimley is Director of the Vocational Rehabilitation program. He and some friends have just returned from a visit to Russia, where they spent some time studying Farm Methods.

He visited in Moscow and also Paris. He will show films and slides made on this trip. The public is invited.

LIONS MEET

The Elba Lions Club Tuesday had as luncheon guests Curtis Chapman, president, and E. D. Green, secretary, of the Zion Chapel Club, last week. John J. Martin, district governor, will be guest speaker at the next meeting Oct. 13.

CHEVROLETS OF 1960 READY TO GO ON DISPLAY

The revolutionary Corvair, long a target of speculation in the automobile world, will make its debut, along with the distinctive new conventional line of 1960 Chevrolet passenger cars, at Ross Smith Chevrolet, Inc., tomorrow.

On display in dealer showrooms for the first time, the complete presentation offers 19 models, ranging from the compact six-passenger Corvair to a series of Impalas.

The trail-blazing Corvair is a product of nine year research and development program. Special features include a flat, air-cooled engine mounted at the rear, utilized body with virtually flat passenger compartment floor, swing-type rear axle with independent springing at all four wheels.

The conventional line of Chevrolets also boasts progressive modifications. The styling is distinctive, with outstanding newness in the front and rear sections. Passenger space is roomier, more comfortable and richly fitted. A new economy V8 engine is among chassis improvements that promise greater durability and satisfaction.

TIGERS PLAY CATS AFTER 45-0 DEFEAT

The Elba Tigers will take an arch-rival Elton tomorrow night when they journey to the Wildcats' den after taking a tough 45-0 loss to rampaging Opp last week.

Enterprise is hiding a good season having defeated both Oark and Samson. They lost their first game last week to Bufala, Elba, on the other hand, will be seeking to balance its won-loss record. They have beaten Brantley while losing to Luverne and Opp.

Important matters pertaining to education in general and to vocational work in Coffee County were discussed. By-laws of the organization were studied and plans were made for the next meeting. The secretary was asked to contact the local Representative and Senator and commend them for their fine work in increasing appropriation for education in Alabama.

Those attending the Elba meeting were: J. E. Taylor, B. A. Johnson, R. S. Jones, Mrs. Sybil Taylor, James Blankenship, J. W. Heeder, Mrs. Jackie Byars, F. W. Wood, Mrs. B. A. Johnson, and Mrs. Jessie Matthews.

Fair To Peanut Farmer Of Year

The peanut farmer will get more recognition this year at the National Peanut Festival.

The Alabama, Georgia, or Florida producer who has the highest average yield on his entire 1959 peanut crop will be honored as "Peanut Farmer of the Year."

Beef Calves
County Agent Z. R. Speed and I plan to attend the Demopolis feeder calf sale on Wednesday, September 30. If the price and quality are satisfactory we will probably buy 12 or 15 feeder calves for our Coffee County 4-H club members. This past week I had a letter from Ted, Dianne, Judy and Janet Pittman of New Hope community asking about the club calves.

We already have some calves on feed and we hope to get the rest of our needs at this special sale. Everything is shaping up.

RIPE AGE GIVES TONE TO VIOLINS, WINE AND GOOD FELLOWS

The odds are that almost everyone living today is going to live a longer life than was expected a half century ago. Years are being added because of greater medical knowledge and better medicines. How long you are going to live and how well you are going to enjoy those added years depends greatly on yourself.

You can grow older happily if you take proper care of yourself and help your body overcome some of its enemies. Your physician can prescribe potent vitamins for additional energy, hormones when needed and medicines that can help your heart and other organs to resist aging. Regular visits to your physician and following his advice will give a mellow tone to your later years.

Special Education Courses Studied

In recent years, educational leaders have begun to concern themselves as far as the show next year is concerned. Boys and girls wanting to know more about buying calves should get in touch with me just as soon as possible. Several boys and girls have already written me and I have seen a lot of them to complete plans for buying calves.

By 1959 the program had expanded to include another phase of education, that of Guidance and its relation to the educational program. Mrs. Jessie Marie Hornsby was in the Guidance Workshop the whole summer and two principals from the County entered the Guidance workshop the last half of the summer after being in the Administrative Workshop the first half. These two principals were Mr. H. J. Locklar and Mr. Ned Young.

The summer workshop will be followed up by programs

throughout the school year in which instructors from Auburn will be working with the county program. One phase of their work will be in the form of courses being offered in the County available to all teachers.

Mr. and Mrs. Robert Folsom left last week for Norfolk, Va., to visit their son and daughter-in-law, Ensign and Mrs. Robert Folsom, Jr., before Ensign Folsom leaves for a trip to the South Pole.

Ensign Folsom will sail Oct. 16 aboard the carrier Arcton as part of a U. S. Navy group which will spend five or six weeks in explorations in South Polar waters.

themselves with improving the quality of education.

In the summer of 1958 Mr. C. E. Pearce, County Superintendent, and eight principals and teachers from his schools attended a workshop at Alabama Polytechnic Institute at Auburn involving mostly administrators. Those who attended felt that it was one of the best experiences of their careers as educators.

Air Pollution Is On Increase Fast

Estimates of the cost of air pollution range from \$7.5 billion to more than \$11 billion annually, and the price is mounting, according to the editors of *Changing Times Magazine*. In the future, the editors say, more people, more automobiles, more industries and

production may make clean air one of the nation's scarcest natural resources.

In addition to being annoying, these vapors can be dangerous. Many scientists feel there already is sufficient evidence, at least statistically, to associate air pollution with cancer of the lungs, esophagus and stomach with arteriosclerosis and other heart diseases.

Here Friday from Chevrolet . . .

Eluga Impala 1-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

THE SUPERLATIVE '60 CHEVY

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that's new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance of its new Body by Fisher, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, it's got all the thrifty virtues that make it unmistakably a Chevrolet—with new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different the others can only hope to come close.

It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line.

Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, the solidly built new Body by Fisher surrounds you with finely tailored fabrics and spacious

elegance. There's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and extra margin of hip space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. Adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that

do an even more efficient job of isolating road shock and noise.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds. There's also a choice of five other V8's and five transmissions, to assure the exact power combination to satisfy the itch in your driving foot.

Chevy's accent on comfort and convenience even extends back to its easier-

to-load luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters out engine impulses more effectively than ever and new two-toning motif available on all 16 fresh-minted models.

But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes . . . and that's to drop in on your dealer and drive one!

Through the Keyhole

BY MRS. ROBERT CANNON

AGAINST a background of autumn's crisp gold colors and repeating the lovely old Episcopal wedding bows, El-

nor McDonald Smith pledged her troth to Robert Marshall Jones, son of Mr. and Mrs. David Augustus Jones of Syl-

vania.

The ceremony was performed at the Methodist Church by the Rev. Ralph R. Houtchick.

Nuptial music was by Sue Morrow, organist.

A background of graduated palms was placed before the choir loft and nine-branched gold candelabra placed on either side of the altar held burning white candles aloft. Brass altar vases unadorned with arrangements of burnt gold and coffee-toned Fuschia chrysanthemums and tall, slender colored glass vases, which centered the altar, was a low, flowing bouquet of white gladioli and fuschia chrysanthemums placed before the golden crucifix. A white satin prayer bench was used.

Bridesmaids were Miss Mary March Durant of Mobile and Miss Mary Jo Purvis of Montgomery. They wore gowns of soft coffee-toned velvet styled with rounded décolletage and crushed satin sash.

Their peace de sole skirts billowed gracefully to reveal

wide brimmed velvet hats and carried bouffant bouquets of coffee, bronze and golden chrysanthemums tied with ribbons of white. They wore

gowns in autumn shades.

Maid of Honor was Miss Elizabeth Haas of Mobile who wore a gown in emerald green and carried flowers to match the bridesmaids.

Bob Jones was attended by his Best Man, Thomas McNeil of Florida; his groomsmen, David Jones, Jr., and James Parker of Fort Walton, William Vann of Birmingham and Ross Curran Smith, Jr.

After the ceremony the guests were invited into the church parlor. To receive her guests Mrs. Smith wore champagne taffeta and silk organza fashioned with three quarter length gloves. In matching shades and she wore a corsage of yellow Phalaenopsis orchids.

Mrs. Jones wore a gown of yellow Phalaenopsis orchids. Mrs. Jones wore a gown of yellow Phalaenopsis orchids.

A Wonderful New World of Fords for 1960

A new world of style! A new world of savings! A new world of performance! A new world of built-for-people comfort! A new world of station wagon living!

On October 8, for the first time, there will be not one, but two, big new cars completely new kinds of Ford cars designed and priced for nine out of ten Americans.

The 1960 Ford—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!

The 1960 Falcon—The New-Size Ford, the world's most experienced new car, and the easiest car in the world to own!

The 1960 Thunderbird—The World's Most Wanted Car!

FORD—The Finest Fords of a Lifetime

Here are 15 new models! Economy-minded Fairlans. Big-value Fairlane 500's. Elegant Galaxies. Five beautifully husky new station wagons. A sleek new Sunliner convertible and a brand-new hardtop model, the Starliner.

A wonderful new world of economy. Ford's beautiful new proportions flow smoothly through an elegant Thunderbird-inspired roof to swift rear-quarter lines.

A wonderful new world of performance. For action, there are new Thunderbird V-8's that blend blazing power and acceleration with kid-glove smoothness.

A wonderful new world of ride. With Ford's new Wide-Track Design, wheels are spread farther apart for a full 6-foot track. It handles and rides like the Thunderbird!

A wonderful new world of economy. Ford's Mileage Maker Six and Thunderbird 292 V-8 and 362 V-8 all travel beautifully on regular gas at savings up to a dollar a tankful. And go 4,000 miles between oil changes.

A wonderful new world of built-for-people comfort. Six big people—including the man-in-the-middle—ride in greater comfort than ever. The new Fords give you as much as 4 inches more shoulder room, more knee room, more hip room. You relax on chair-high seats.

A wonderful new world of safety. Ford's big safety news for 1960 includes new Track-Size Brakes with brake linings 25% bigger. Ford's new Safety-Center Frame is 25% stronger than ever before. Better visibility, too.

FALCON—The New-Size Ford

Here is the welcome news Americans have been waiting for... the Falcon, a product of Dearborn, Michigan, automotive capital of the world, was expressly designed for American needs on the American road. It's the one economy car without the economy-car look.

Averages up to 30 miles per gallon. Experience Run, U.S.A., proved it! Oil savings! Ford's standard Full-Flow Oil Filter stretched oil changes 4,000 miles apart.

The engine's up front for greater safety and stability. Built brand-new for the Falcon, the short-stroke Falcon Six was developed, and mounted up front, according to long-proved, thoroughly accepted engineering principles.

1960 Falcon seats six with ease. Six fit comfortably into the Falcon—and it swallows luggage for six in the big rear trunk that holds 23 cu. ft. Compare this with others! Easiest car in the world to own. A Falcon is so easy on the wallet that it's easier than ever to be a 2-Ford family!

THUNDERBIRD—The World's Most Wanted Car

For 1960, the Ford Thunderbird is distinctively new—without basically disturbing the famous profile that has made it America's new fine-car favorite. It's the most wanted car of all!

No matter who you are... or what your tastes and needs... there's an exciting 1960 Ford styled, sized and priced for you. See your Ford Dealer October 8!

CARD OF THANKS

To The People of Elba: On behalf of mine and Mary's family, I would like to take this opportunity to attempt to express to you, the people of Elba, our most sincere and humble thanks.

Thank you for the beautiful floral arrangements that meant more to her than you will ever realize.

Thank you for the generous financial contributions that you made of your own accord, from time to time, and which have the very best of medical attention and care.

Thank you for the personal assistance which was given so freely. The bedside attendance at night, the dishes of food and other items too numerous to mention that always seemed to be provided in abundance.

Thank you, last but not least, for your spiritual support during the darkest hours of our lives.

May God's richest blessings abound with each of you, are our prayers.

It's Worth A 10-Year Effort

It will not be easy to convince Congress of the value of deepening the Choctawhatchee and Pea rivers for navigation, Congressman Bob Sikes told an estimated 2,000 persons gathered at the Carville-Westville bridge Thursday of last week. He emphasized the importance of furnishing him and Congressman Andrews with every available bit of information pertaining to the possible tonnage which would flow up and down these rivers if deepened.

The people of the Choctawhatchee-Pea river basin cannot take everything to Congressmen Andrews and Sikes. It takes cooperation on the part of interested persons along the rivers' banks, and constant effort. That's the job thrust forward by the Choctawhatchee-Pea River Development Association and that's why every owner of a business and every owner of a foot of property in the basin should be long to the association because everyone will profit from the development.

It will not be an overnight growth. A quarter-century ago there were those in West Florida who laughed at the idea of digging an intra-coastal canal "when we have a good part of the earth's water right there in the Gulf." There were those who looked into Pensacola Bay and said it was ridiculous to talk about a million-dollar five-mile bridge from Pensacola to barren Santa Rosa peninsula on the other side.

But the intra-coastal Canal now carries tugs and barges daily. The bridge is across Santa Rosa peninsula is no longer barren. These are only two of dozens of similar developments which have taken place during the past 10 and 20 years a hundred miles south of us.

We here in South Alabama can do the same in the next 10 or 20 years with the same far-seeing effort. It will be worth it.

FICK RESIGNS AS SALES HEAD WITH DORSEY

Horton Fick resigned last week as vice-president in charge of sales for Dorsey Trailers. He had served 14 years with that organization.

Mr. Fick first came to Elba when he was stationed at Fort Rucker as a lieutenant in the U. S. Army, and he and Mrs. Fick obtained living quarters at the home of J. V. Wright, late Dorsey Trailers president.

Served Overseas
After going overseas for a year and a half, during which he was in the invasion of Europe, he was discharged a captain and returned to Elba in January, 1946, after a short stay in the Army hospital in Indiana, and joined Dorsey Trailers as assistant to Mr. Wright. He had served with Dorsey Trailers in various capacities since that time.

Mr. Fick said he has not yet decided what new field he will enter. He has two children, Michael in Elba High, and Terry, in the Seventh Grade.

NEW LINE OF FORDS GO ON DISPLAY HERE

The new 1960 Fords will be introduced in Elba today when Gentry Motors, Inc., will formally mark its Grand Opening as the Ford dealer here.

Everything has been done to make a visit to the local Ford dealer and enjoyable one during the three days of Open House Thursday, Friday and Saturday, this week, said Ray McManis, manager and co-owner with Dr. L. M. Gentry of Dothan.

Mr. McManis said the 1960 Ford represents a styling theme originally created for later use but brought forward because of the spontaneous enthusiasm of company management when they first saw the car in advance studies.

Baptist Layman's Service Planned

A special Layman's Day service will be held Sunday, Oct. 11 at First Baptist Church of New Brookton. Rev. C. M. Meek is pastor.

Olen L. Hill, Baptist Layman from Auburn, will be in charge of the evening services at 7 p. m. He will speak and present slides of his recent round-the-world tour. He visited the Holy Land, then India to attend the Tenth World Congress for Christian Youth as a delegate from the Southern Baptist Convention.

Homecoming Queen and Attendants—

ONE
WILL
WEAR
A
CROWN—

Miss Charlotte Vaughan, center, will be crowned Miss Homecoming at ceremony just before the opening kickoff of the Elba-Florida game at the football stadium tomorrow at 8 p. m. Her attendants are Miss Ann Akridge, left, and Miss Shirley Barlow, right.

Homecoming Tomorrow Has Varied Events; No Parade

The annual Elba High Homecoming will be Friday with the Student Rally in the football field at 2 p. m., dinner at 4 p. m. in honor of the Class of '59, and the crowning of Charlotte Vaughan as queen prior to the kickoff of the Elba - Florida Wildcat game at 8 p. m., but without the usual downtown parade.

The parade was canceled this year with the money ordinarily used for floats diverted to purchase books for the Elba High library to meet minimum requirements for state accreditation of the school.

The student rally will be marked by a cheering contest between all Elba school grades, followed by singing of the Alma Mater. Dinner for the honored class will be at 6 p. m. in the cafeteria.

Ceremonies preceding the football game will include music by the high school band under direction of Robert Hill after which Seniors will introduce Homecoming Queen Charlotte Vaughan and her attendants, Miss Shirley Barlow and Miss Ann Akridge, a reception and dance in the high school gym will follow the game.
